MyCityMyBudget – Citizen engagement through workshops

Workshops (Citizen interaction sessions) were conducted at various citizen associations across Bengaluru to gather inputs from the citizens about the civic issues affecting them in their locality that should be addressed in the municipal budget for the year 2016-17. The workshops were moderated by IChangeMyCity (Janaagraha) and held at the offices of the respective citizens associations.

Discussion

The citizens at the workshop discuss about the civic issues that affects them in their locality

Submission of inputs

The citizens then shortlist and list down list of issues that should be included in the budget in the input form

Voting

In a voting session, all members of the association give their vote on the shortlisted issues that should be considered

Prioritization

Based on the number of votes received, a final list is drawn which will contain the civic issues that needs to be addressed on priority

MyCityMyBudget – Citizen input collection on IChangeMyCity.com

The inputs from citizens were also collected online - on IChangeMyCity website (www.ichangemycity.com). The citizens were provided with an online form that enabled them to fill out inputs pertaining to their ward. They could also view the inputs shared by their neighbours in their ward and show support by VOTING UP on their inputs. Discussions about the civic issues to be considered also took place online on various social media sites.
