## MyCityMyBudget – Citizen engagement through workshops

Workshops (Citizen interaction sessions) were conducted at various citizen associations across Bengaluru to gather inputs from the citizens about the civic issues affecting them in their locality that should be addressed in the municipal budget for the year 2016-17. The workshops were moderated by IChangeMyCity (Janaagraha) and held at the offices of the respective citizens associations.

### Discussion

The citizens at the workshop discuss about the civic issues that affects them in their locality

### Submission of inputs

The citizens then shortlist and list down list of issues that should be included in the budget in the input form

### Voting

In a voting session, all members of the association give their vote on the shortlisted issues that should be considered

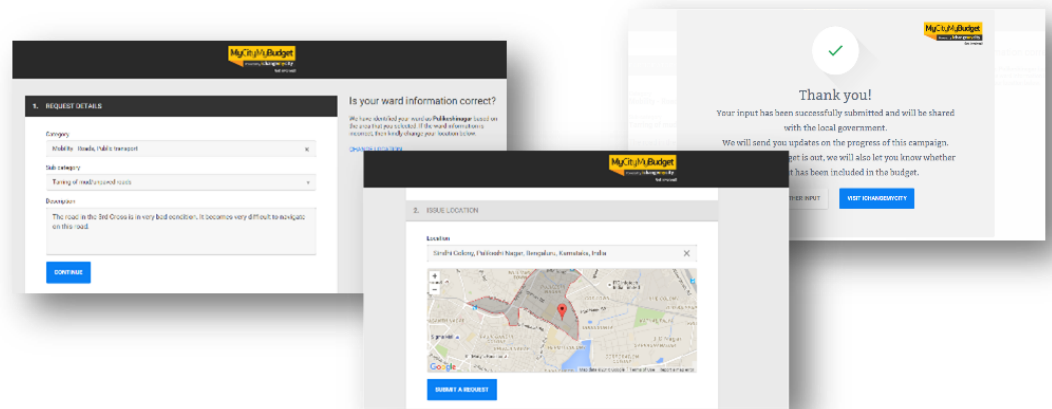

### Prioritization

Based on the number of votes received, a final list is drawn which will contain the civic issues that needs to be addressed on priority

## MyCityMyBudget – Citizen input collection on IChangeMyCity.com

The inputs from citizens were also collected online - on IChangeMyCity website ([www.ichangemycity.com](http://www.ichangemycity.com)). The citizens were provided with an online form that enabled them to fill out inputs pertaining to their ward. They could also view the inputs shared by their neighbours in their ward and show support by VOTING UP on their inputs. Discussions about the civic issues to be considered also took place online on various social media sites.

| 1208     | Solid waste management             | Maintain cleanliness of streets (sweeping, removal of debris) | 5th Cross Road, Stage II, Kengeri Satellite Town, Bengaluru, Karnataka 560060, India | Even though BBMP has provided door to door garbage collection facilities. Some people even today are just throwing waste daily on road side, on there way to work or walk.<br>I request govt./BBMP to keep an eye on these people & penalize these fellows so that they wont continue this activity.<br>Also many vacant plots are filled with garbage like this. I wish BBMP will clean these road side garbage & make use of these places for better usage of citizens of ward. | Bruhat Bengaluru Mahanagara Palike | Lohith B        |
| 4200     | Mobility - Roads, Public transport | Tarring of pothole-ridden roads                               | Kengeri Satellite Town, Bengaluru, Karnataka, India                                  | There are lots of un wanted/not technically managed humps in kengeri satellite town. Roads are digged left right centre for the purpose of water, sanitation & fiber cable installation. These were never closed properly.  | Bruhat Bengaluru Mahanagara Palike | Sreenivas Reddy |
