## MyCityMyBudget – Citizen engagement through workshops

Workshops (Citizen interaction sessions) were conducted at various citizen associations across Bengaluru to gather inputs from the citizens about the civic issues affecting them in their locality that should be addressed in the municipal budget for the year 2016-17. The workshops were moderated by IChangeMyCity (Janaagraha) and held at the offices of the respective citizens associations.

### Discussion

The citizens at the workshop discuss about the civic issues that affects them in their locality

### Submission of inputs

The citizens then shortlist and list down list of issues that should be included in the budget in the input form

### Voting

In a voting session, all members of the association give their vote on the shortlisted issues that should be considered

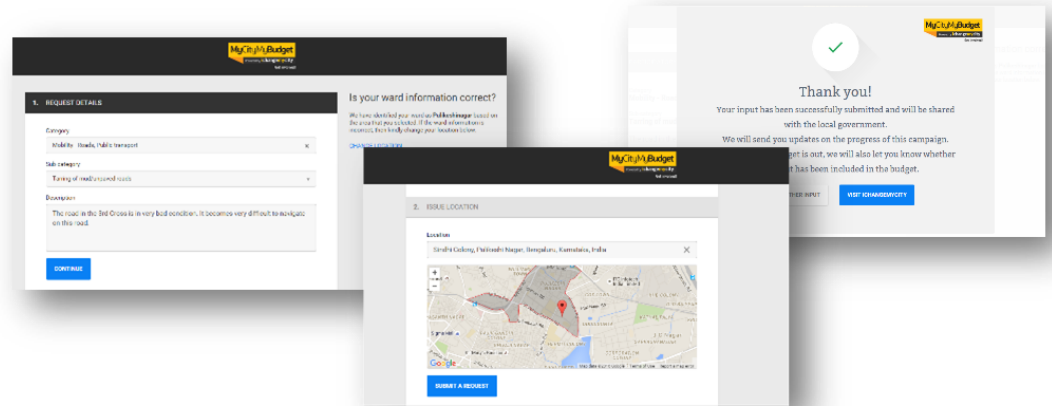

### Prioritization

Based on the number of votes received, a final list is drawn which will contain the civic issues that needs to be addressed on priority

## MyCityMyBudget – Citizen input collection on IChangeMyCity.com

The inputs from citizens were also collected online - on IChangeMyCity website ([www.ichangemycity.com](http://www.ichangemycity.com)). The citizens were provided with an online form that enabled them to fill out inputs pertaining to their ward. They could also view the inputs shared by their neighbours in their ward and show support by VOTING UP on their inputs. Discussions about the civic issues to be considered also took place online on various social media sites.

Issue Id	Input Category	Input Sub Category	Location	Description	Agency	Citizen's name
4453	Solid waste management	Maintain cleanliness of streets (sweeping, removal of debris)	Balaji Layout, Vajarahalli Rd, Bangalore, Karnatak	There is no regular maintenance of streets. Though it was part of the contract with BVG it was not being done. Sweeping removal of debris to be done on daily basis to keep the area clean always	Bruhat Bengaluru Mahanagara Palike	Vksrivatsa
4459	Sanitation	Maintanence of sewage lines	4th Cross Rd, D Block, Sri Krishna Garden Layout, RR Nagar, Bengaluru, Karnataka 560098, India	we reside in Manchaiah layout, behind Panchasheela polytechnic, even though area is currently thinly populated, with the current drainage line the manholes overflows some times due to blockage and we are getting it cleaned when the problem persists, but it will not be the same scenario tomorrow as the apartments are being constructed and population will definitely increase. On 11.1.2016 the sewage line from BHEL layout has been connected to manchaiah layout(Nisarga layout) without changing the existing drainage pipe size in manchaiah layout., this might create a mess of manhole leakage causing health problems. we the residents request the authorities to look into the matter and change the drainage pipes before we suffer due to manhole leakages.	Bangalore Water Supply and Sewerage Board	hamsaSuresh
4871	Safety and Crime	Install surveillance cameras	Kengeri, Bengaluru, Karnataka 560060, India	It's not safe to travel in these areas during late hours.	Bruhat Bengaluru Mahanagara Palike	Irene Joseph
