4599	Mobility - Roads, Public transport	Tarring of pothole-ridden roads	19, 1st Main Rd, Sreenivas Nagar, Nandini Layout, Bengaluru, Karnataka 560086, India	The potholes and roads as such in jai maruthinagar should be filled up. One more cause of potholes being formed are the patchwork done. The roads when tarred completely once stay so for a longer time than the patchwork tarring. It can also lead to safer roads rather than again pressurising the citizens with extra rules such as the pillion driver-helmet ones.	Bruhat Bengaluru Mahanagara Palike	Srikant M Bawale
4979	Mobility - Roads, Public transport	Tarring of mud/unpaved roads	Nandini Layout, Bengaluru, Karnataka, India	<p>The service road connecting Laggere Bridge is just horrible.
