MyCityMyBudget – Citizen engagement through workshops

Workshops (Citizen interaction sessions) were conducted at various citizen associations across Bengaluru to gather inputs from the citizens about the civic issues affecting them in their locality that should be addressed in the municipal budget for the year 2016-17. The workshops were moderated by IChangeMyCity (Janaagraha) and held at the offices of the respective citizens associations.

Discussion

The citizens at the workshop discuss about the civic issues that affects them in their locality

Submission of inputs

The citizens then shortlist and list down list of issues that should be included in the budget in the input form

Voting

In a voting session, all members of the association give their vote on the shortlisted issues that should be considered

Prioritization

Based on the number of votes received, a final list is drawn which will contain the civic issues that needs to be addressed on priority

MyCityMyBudget – Citizen input collection on IChangeMyCity.com

The inputs from citizens were also collected online - on IChangeMyCity website (www.ichangemycity.com). The citizens were provided with an online form that enabled them to fill out inputs pertaining to their ward. They could also view the inputs shared by their neighbours in their ward and show support by VOTING UP on their inputs. Discussions about the civic issues to be considered also took place online on various social media sites.

432	Solid waste management	Require regular Door to door garbage collection	9th Cross Rd, Malleshwaram, Bengaluru, Karnataka 560003, India	This is a long standing complaint. garbage is thrown 24/7 in front of the apartment & this is causing lot of health problems .The whole area rots (because of the rain)This is mainly because of the illegal market who have occupied the footpaths completely.& even public thow garbage there since there is no proper door to door collection. I have been complaining regarding this but in vain. BBMP officials are not taking any stict action.I am a senior citizen & also majority of the people who live in this apartment.I am feeling helpless & need help to solve this grave danger to public health. 593	Solid waste management	Require regular Door to door garbage collection	9th Cross Rd, Malleshwaram, Bengaluru, Karnataka 560003, India	This is a long standing complaint .Because of the illegal market & complete occupation of foot paths near 9th cross malleswaram there will always be garbage in front of our apartment (24/7) This is spreading lot of diseases & the whole area stinks of rotten vegetables thrown along with the garbage. When it rains it is horrible & the the whole waste spreads throughout the street There is no proper door to door collection.There are two most important things to be taken care of 1)vacating the steet vendors . 2)stopping people from throwing garbage there. people urinate over the garbage & sread all sorts of diseases & the whole environment is highly polluted.This needs immediate attention. 1532	Public health	Fogging and Pest control	Sampige Rd, Vyalikaval, Malleshwaram, Bengaluru, Karnataka 560003, India	Stray dog population is awe fully increasing. I am supposed to be a rabies expert having done some research on dog and human rabies, having been engaged in spreading awareness about this disease all over the country for the past 35 years. Just one accidental bite by any of these canine predators could open up a whole lot of misery as it happened to my co brother. This is sadly the story all over Bangalore. It is an insult to a global city to find stray dogs on street. I am willing to help any group to spread awareness and wake up the Government agency.	Bruhat Bengaluru Mahanagara Palike	N.L.Gangadhar
1708	Solid waste management	Require regular Door to door garbage collection	9th Cross Rd, Malleshwaram, Bengaluru, Karnataka 560003, India	Near 9th cross MALleswaram,where exists a row of transformers there is always a heap of garbage 24/7. 1)There is no proper door to door collection 2)vendors who have occupied the foot paths throw rotten fruits & vegetables 3)Even literate citizens throw waste since there is no strict action for the offence from BBMP when it rains the condition worsens .This requires immediate action to stop spreading of diseases, stop pollution & alsodamage to ground water. 4500	Solid waste management	Maintain cleanliness of streets (sweeping, removal of debris)	Malleshwaram, Bengaluru, Karnataka 560003, India	the solid waste has to be disposed off regularly so that the smell doesn't circulate,the roads are dug up on the pretext of building them anew but the roads are not completed even after many months . 4502	Mobility - Roads, Public transport	Provision for parking	15th Cross Rd, Malleshwaram, Bengaluru, Karnataka, India	Many food joints and temples are located close to the residential street and there is no parking facility for people visiting these places. so people tend to park in front of our houses especially in front of the garage. And this is leading to a lot of chaos in the residential area.	Bruhat Bengaluru Mahanagara Palike	VARSHINI MV
4516	Safety and Crime	Install surveillance cameras	11th Main Road, Near-Railway Station, Malleswaram, Bengaluru, Karnataka 560003, India	A lot of robbery (mostly chain snatching) is taking place at high rates in my area. The people of this area lack surveillance cameras on streets and police squad men at mnay roads. the citizens (especially old ladies) are scared to walk out of the house alone or leave the younger members of the family all alone at home. Please look to that we stay safe and protected from the increasing levels of crime in the neighbourhood by taking appropriate measures.	Bruhat Bengaluru Mahanagara Palike	VARSHINI MV
5159	Mobility - Roads, Public transport	Provision for parking	Vasavi Temple Rd, Malleshwaram, Bengaluru, Karnataka 560003, India	Why not legislate compulsory parking on vacant sites to help de-congest our roads and footpaths. As Bangalore's vehicle ownership increases, we find BOTH sides of residential localities have parked cars thereby making it difficult to walk and drive through these localities. If vacant sites are made compulsory parking, these roads would become more free. The owner would be able to earn a few bucks but more important, the site would become garbage free and serve a useful purpose to the community for as long as its vacant. Typical 34x40 sites would easily accommodate 6 cars and several two wheelers.	Bruhat Bengaluru Mahanagara Palike	Ramesh Viswanath
7155	Mobility - Roads, Public transport	Repair of existing footpaths	38/1, Siddavanahalli Krishna Sharma Rd, Malleshwaram, Bengaluru, Karnataka 560003, India	The footpaths are broken and unusable.	Bruhat Bengaluru Mahanagara Palike	Deepika_koushik
