MyCityMyBudget – Citizen engagement through workshops

Workshops (Citizen interaction sessions) were conducted at various citizen associations across Bengaluru to gather inputs from the citizens about the civic issues affecting them in their locality that should be addressed in the municipal budget for the year 2016-17. The workshops were moderated by IChangeMyCity (Janaagraha) and held at the offices of the respective citizens associations.

Discussion

The citizens at the workshop discuss about the civic issues that affects them in their locality

Submission of inputs

The citizens then shortlist and list down list of issues that should be included in the budget in the input form

Voting

In a voting session, all members of the association give their vote on the shortlisted issues that should be considered

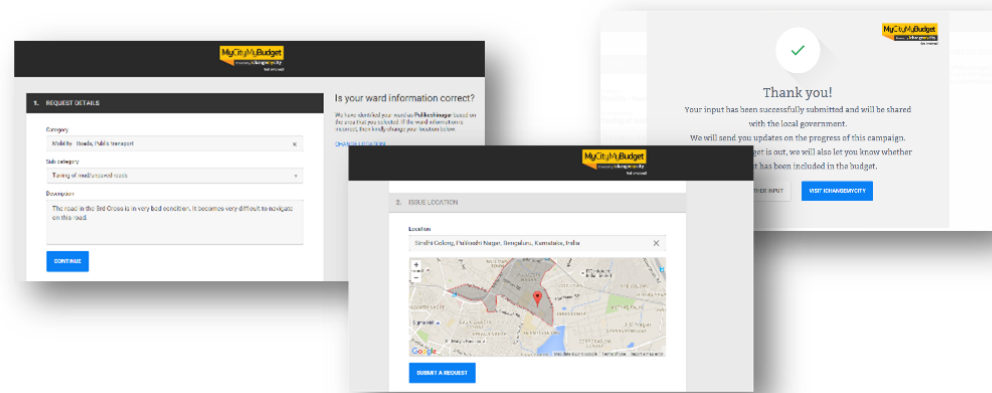

Prioritization

Based on the number of votes received, a final list is drawn which will contain the civic issues that needs to be addressed on priority

MyCityMyBudget – Citizen input collection on IChangeMyCity.com

The inputs from citizens were also collected online - on IChangeMyCity website (www.ichangemycity.com). The citizens were provided with an online form that enabled them to fill out inputs pertaining to their ward. They could also view the inputs shared by their neighbours in their ward and show support by VOTING UP on their inputs. Discussions about the civic issues to be considered also took place online on various social media sites.

566	Electricity & Power	Ensure efficient and uninterrupted power supply	#46,inderjeet sawhney layout, Shampura Main Rd, Bengaluru, Karnataka 560045, India	i am staying in SHAMPURA MAIN ROAD INDRAJEETH SHAWNEY LAYOUT NEAR to DR B R AMBEDKAR COLLAGE, nobody from BBMP allotted switch on/off street lights local citizen only switching on in time morning time nobody switch off till 8 to 9 am please look in to. hear i want to suggest if you change present lighting to LED lighting it will be more useful.	Bangalore Electricity Supply Company	Tanveer
900	Mobility - Roads, Public transport	Installation of traffic lights	2E Cross, Sultan Palaya, Bangalore	The traffic in this area particularly during peak hours is horrendous! Buses, tempos, autos, school vans and cars madly compete for passage. Two-wheelers and autos are the worst offenders, driving dangerously without any concern for the safety of others or even themselves. Pedestrians are most at risk as crossing the road at such times is dancing with serious injuries or death. If traffic signals are installed with some police presence it would make the traffic more orderly and reduce the risk to pedestrians.	Bangalore Traffic Police	B. Radhakrishnan
922	Sanitation	Construction of storm water drains	2E Cross, Sultan Palaya, Bangalore	Storm water drains are missing on some of the side roads. Illegal constructions are often the cause. During heavy rain this results in pools of water collecting in front of houses. There are drainage manholes nearby but they are not connected to places where water pools. Such a pool collects right in front of my house and we have to wade through water till it evaporates. This takes days in the monsoon season!	Bangalore Water Supply and Sewerage Board	B. Radhakrishnan

954	Solid waste management	Require regular Door to door garbage collection	1176, 1st Cross Rd, Sultanpalya, Hebbal, Bengaluru, Karnataka 560032, India	The garbage problem in & around my locality in bangalore is ever increasing instead of getting resolved.Garbage is not being collected door to door on a daily basis which is prompting people to dump the garbage on road.The rains & dog menace are further aggravating the problem leading to dirty unhygienic roads which not only spoils the roads but also causal several health problems.I hache heard about various private Companies which can help in reducing the amount of waste or recycle it for better use.All they need is government support.I wonder why the govt is not tying with with these kind of companies & help to solve the garbage issue which is growing day by day which is converting our garden city to a garbage city.I want the govt to not only ensure regular collection of garbage but also to recycle & reduce the waste by collabrating with such companies instead of dumping the garbage into the land fill which causes many serious health hazards to the people staying around such landfills.Hope the govt takes this point into consideration.Thanks to change my city for providing such a platform. 1114	Mobility - Roads, Public transport	Construction of flyovers/ underpass	Dr BR Ambedkar Medical College, Bangalore, Karnata	Shampura main road, tannery road railway gates are causing too much of traffic when railway gate is closed . sometimes we end up more than 1 hr to clear the jam. Need ROB/RUB urgently.	Bangalore Development Authority	MOhan
1115	Mobility - Roads, Public transport	Tarring of mud/unpaved roads	Dr BR Ambedkar Medical College, Bangalore, Karnata	Dinnur and Tannery road is so narrow it requires widening so that many residents staying around this area can have better life. Tannery road looks like we are not leaving in independent developing nation. This area needs lot of development .	Bruhat Bengaluru Mahanagara Palike	MOhan
1696	Solid waste management	Maintain cleanliness of streets (sweeping, removal of debris)	Appajappa Layout, Shampura, Kaval Byrasandra, Bengaluru, Karnataka 560032, India	<p>Here's why it's important:</p> <p>A humble question to whoever knows the answers, please... ***** *****</p> <p>What is the duty of Elected Representatives and huge administrative officers and staffs of the territory? Is they are acting like Gods, sitting in their different worshipping places and people should visit them regularly with flowers, fruits and other pooja materials to please them for getting blessings to solve day today problems, which they are facing in their area. Why should people remind them about their duties, even though the concerned officials knows all problems which people are facing. Now a days common citizen are busy with their commitments and struggling hard to meet their day today expenses and how can they find time to go to officials, those who are invisible most the time, with meetings and their own other reasons. How can they inactive from their duties, after getting their allotted seats of power? Pity with the fate of common citizen!! Very confusing matter. Is there anybody to answer this please.....</p>	Bruhat Bengaluru Mahanagara Palike	Gangadharan K V

4705	Public health	Fogging and Pest control	2E Cross, Sultan Palaya, Bangalore	Noise pollution is a problem in many areas close to mosques and temples. Particularly so during festivals and prayer times of muslims. Loud speakers should be allowed only between 8 AM and 8 PM and their loudness should be limited to levels that does not inconvenience nearby residents.	Bruhat Bengaluru Mahanagara Palike	B. Radhakrishnan
4706	Mobility - Roads, Public transport	Construction of flyovers/underpass	2E Cross, Sultan Palaya, Bangalore	Roads in this area are almost non-navigable during peak hours with buses, bikes, autos cars and animals competing for space! There is urgent need to widen the roads, install traffic lights and policemen particularly during these times. Crossing the road is extremely dangerous for pedestrians as everyone is in hurry to move forward.	Bangalore Development Authority	B. Radhakrishnan
