3651	Mobility - Roads, Public transport	Construction of flyovers/ underpass	18, Assaye Rd, Sindhi Colony, Pulakeshi Nagar, Bengaluru, Karnataka 560005, India	a road was laid next to gymkhana club to connect wheeler road and Assaye road. But the bridge across the storm water drain has yet to see the light of the day for more then 5 to six years. Now that road is used for Garbage trucks. It creates an unwanted traffic block for vehicles coming down the flyover. Innumerable bottlenecks across the city like these are a pointer towards the BBMP's apathy towards the City infrastructure. The BBMP is not even able to lay a proper Road Divider in so many places.	Bangalore Development Authority	Andrewvijayan

6271	Solid waste management	Maintain cleanliness of streets (sweeping, removal of debris)	Pulikeshi Nagar, Bengaluru, Karnataka, India	<p>We need to pay attention to segregation of waste as well as cleanliness of streets.Often the PK's pick up the garbage but do not sweep the roads.They leave piles of debris at street corners.</p> <p>Also, the citizens must be educated to segregate. If we could provide them with buckets or Eco friendly bags that clearly indicate what type of garbage goes where it could be beneficial, both for the citizen & the PK's.</p> <p>Thanks!</p>	Bruhat Bengaluru Mahanagara Palike	Flora M
