MyCityMyBudget – Citizen engagement through workshops

Workshops (Citizen interaction sessions) were conducted at various citizen associations across Bengaluru to gather inputs from the citizens about the civic issues affecting them in their locality that should be addressed in the municipal budget for the year 2016-17. The workshops were moderated by IChangeMyCity (Janaagraha) and held at the offices of the respective citizens associations.

Discussion

The citizens at the workshop discuss about the civic issues that affects them in their locality

Submission of inputs

The citizens then shortlist and list down list of issues that should be included in the budget in the input form

Voting

In a voting session, all members of the association give their vote on the shortlisted issues that should be considered

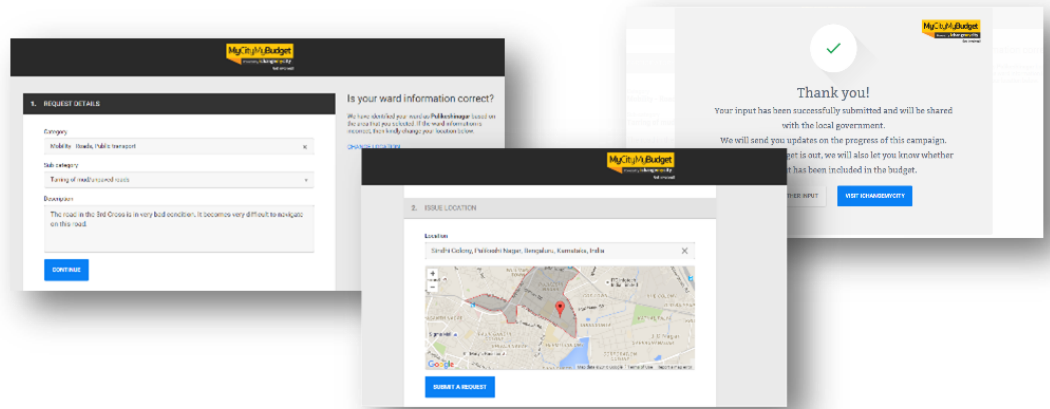

Prioritization

Based on the number of votes received, a final list is drawn which will contain the civic issues that needs to be addressed on priority

MyCityMyBudget – Citizen input collection on IChangeMyCity.com

The inputs from citizens were also collected online - on IChangeMyCity website (www.ichangemycity.com). The citizens were provided with an online form that enabled them to fill out inputs pertaining to their ward. They could also view the inputs shared by their neighbours in their ward and show support by VOTING UP on their inputs. Discussions about the civic issues to be considered also took place online on various social media sites.

2093	Sanitation	Desilting of Storm water Drains	Kadranapalya, Sarvagnanagar, Bengaluru, Karnataka, India	Whenever they desolate the storm water drains throughout Bangalore it's never done by one contractor. For e.g. first one set of people will come and desilt and the silt is piled-up besides the drain then the silt is left there for weeks, months and sometime never cleared from that place which eventually goes back to the drain where it came from. Suggestion: please clear the silt the same day as it's being cleaned up so that its taken off from that place, doesn't cause inconvenience people and also you don't have to clean frequently and save money	Bangalore Water Supply and Sewerage Board	Benjamin Lazer

4467	Mobility - Roads, Public transport	Tarring of pothole-ridden roads	Sundaramurthi Rd, Cox Town, Bengaluru, Karnataka 560005, India	Sundar Murthy Road from Assaye Road junction is a pothole ridden mess. On entering Assaye road from the new road stretch, the surface is so bad that it hits the underbelly of the car. I suggest that the stretch of Assaya road where Sundar Murthy road meets it, should be elevated by a foot, to reduce the incline from the culvert , and also help create a pedestrian walkway. The stretch opposite Mouna guru temple has not been repaired after the sewage lines were replaced. Can we also get rid of the many road humps along Sundar Murthy road ?	Bruhat Bengaluru Mahanagara Palike	Alex Jacob
4499	Mobility - Roads, Public transport	Repair of existing footpaths	Assaye Rd, Cox Town, Bengaluru, Karnataka 560005, India	The footpaths are broken and are uneven. The broken pieces of footpath move when people walk over them. This might injure people.	Bruhat Bengaluru Mahanagara Palike	Eshna Das
4540	Mobility - Roads, Public transport	Tarring of pothole-ridden roads	33, 1st Cross Rd, Venkatappa layout, Old Baiyyappanahalli, Maruthi Sevanagar, Bengaluru, Karnataka 560033, India	Please fill pothole and tar the roads	Bruhat Bengaluru Mahanagara Palike	vishal rajan

4567	Sanitation	Desilting of Storm water Drains	Ramakrishnappa Rd, Cox Town, Bengaluru, Karnataka, India	The storm water drains in this area are all clogged with garbage and a lot of mud making it very difficult for the residents during the rainy seasons because the houses get flooded with sewage water.
