## MyCityMyBudget – Citizen engagement through workshops

Workshops (Citizen interaction sessions) were conducted at various citizen associations across Bengaluru to gather inputs from the citizens about the civic issues affecting them in their locality that should be addressed in the municipal budget for the year 2016-17. The workshops were moderated by IChangeMyCity (Janaagraha) and held at the offices of the respective citizens associations.

### Discussion

The citizens at the workshop discuss about the civic issues that affects them in their locality

### Submission of inputs

The citizens then shortlist and list down list of issues that should be included in the budget in the input form

### Voting

In a voting session, all members of the association give their vote on the shortlisted issues that should be considered

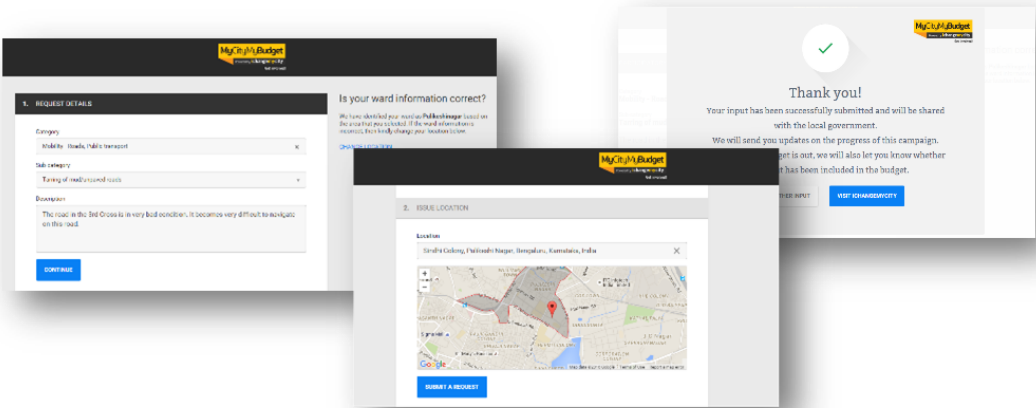

### Prioritization

Based on the number of votes received, a final list is drawn which will contain the civic issues that needs to be addressed on priority

MyCityMyBudget – Citizen input collection on IChangeMyCity.com

The inputs from citizens were also collected online - on IChangeMyCity website ([www.ichangemycity.com](http://www.ichangemycity.com)). The citizens were provided with an online form that enabled them to fill out inputs pertaining to their ward. They could also view the inputs shared by their neighbours in their ward and show support by VOTING UP on their inputs. Discussions about the civic issues to be considered also took place online on various social media sites.

245	Water Supply	Regular supply of water	Kodihalli, Bengaluru, Karnataka, India	No complaints i think it is good in my locality	Bangalore Water Supply and Sewerage Board	Raj Verma
404	Solid waste management	Require regular Door to door garbage collection	Kodihalli, Bengaluru, Karnataka, India	Sufficient staff ,vehicles, equipments ,gloves, shoes,uniform etc should be provided.Staff should be ensured good salary ,retirement benifits , incentives,schooling for their children,medical facilities etc. to do their job well and in time. Facilities for treating dry and wet waste need to be organised with at least 5 years ,if not more, requirements planned.	Bruhat Bengaluru Mahanagara Palike	K R Vinod Krishnan
409	Mobility - Roads, Public transport	Tarring of pothole-ridden roads	Kodihalli, Bengaluru, Karnataka, India	All the roads in Kodihalli area need to be tarred well.They are full of pot holes-- without any exemption. The.The specifications for the roads should be made available to the effected public ,and so also the time schedule for completing the job, name,phone number and address of the contractor and the BBMP Engineer in charge.Tarring should be from left foot-path to the right foot-path without leaving any area of the road un-tarred. Simultaneously the foot paths, and drainage should be repaired. /modigied.	Bruhat Bengaluru Mahanagara Palike	K R Vinod Krishnan
413	Mobility - Roads, Public transport	Lane marking and Road signages	Kodihalli, Bengaluru, Karnataka, India	New Tippasandra Main Road is now a one - way Road with Traffic moving from West to East.I suggest that the Jeevan Bheema Nagar Road be made its twin Road with traffic moving from East to West only. Correspondingly the 12th Main Road(or 6th Main Road) in HAL 2nd Stage can be made one way with traffic moving from West to East and 13th main ,one-way, with traffic from East to West. No one can pass by the road or can breathe.	Bruhat Bengaluru Mahanagara Palike	sajan
1548	Mobility - Roads, Public transport	Tarring of pothole-ridden roads	Kodihalli, Bengaluru, Karnataka, India	Wind tunnel road, airport road which are the 2 roads that most people use everyday is in poor condition. These roads require regular maintenance, not just once in 5 years asphaltting.	Bruhat Bengaluru Mahanagara Palike	Ajay
3646	Environment	Beautification of medians/circles	HAL 2nd Stage, Indiranagar, Bengaluru, Karnataka, India	Road dust is major contributor to the pollution in the city. The government needs to invest in automated road cleaners to keep the city roads clean and dust free for the good health of its citizens	Bruhat Bengaluru Mahanagara Palike	Pranoop Kumar
3869	Solid waste management	Require regular Door to door garbage collection	433, HAL 3rd Stage, Kodihalli, Bengaluru, Karnataka 560008, India	Publicity and education should be more. Door to door collection on a daily basis has to be enforced, especially commercial small establishments who conveniently dump the waste in public space. Provide collection points and compost facility so that community can self help. Enforce Fine without any violation. Road surface repair and maintenance should be done on a regular basis and drains should be kept clean.	Bruhat Bengaluru Mahanagara Palike	Jayakrishnan.m
3915	Solid waste management	Maintain cleanliness of streets (sweeping, removal of debris)	1073/3, HAL 2nd Stage, Indira Nagar, Bengaluru, Karnataka 560008, India	Clear the garbage from roads sweep everyday	Bruhat Bengaluru Mahanagara Palike	Praveen S R

4981	Solid waste management	Require regular Door to door garbage collection	Kodihalli, Bengaluru, Karnataka, India	Why can't we try out KUDUMBA SHREE as is being done in Kerala.This is group of ladies from a locality,who are encouraged to do the jobs in their locality ,and they get paid for their services.BBMP/NGOs should help in organizing such Groups without the vested interests interfering in the group's operation and creating trouble.The Group can collect the Garbage from door to door;and transport it in the Autos to the Trucks.Eliminate all middle men ,Supervisors,and contractors.	Bruhat Bengaluru Mahanagara Palike	Vinod Krishnan K R
4992	Solid waste management	Require regular Door to door garbage collection	2492-2493, 17th Main Rd, HAL II Stage, Kodihalli, Bengaluru, Karnataka 560008, India	Door to door collection of garbage has been discontinued in this ward. Residents dump garbage in corners or empty sites and this is sometimes collected. But, mostly, it is put on fire. The garbage contractor also mixes any segregated waste. The empty plots need to be cleaned up and door to door segregated garbage collection has to start.	Bruhat Bengaluru Mahanagara Palike	Sujata

4993	Solid waste management	Maintain cleanliness of streets (sweeping, removal of debris)	2492-2493, 17th Main Rd, HAL II Stage, Kodihalli, Bengaluru, Karnataka 560008, India	No pourakarmikas come to this area to sleep the roads. After making a complaint, they come once after that. But they don't take the waste away, instead they put it into a pile and set fire to it. They need to come regularly and take the waste away.	Bruhat Bengaluru Mahanagara Palike	Sujata
5023	Mobility - Roads, Public transport	Construction of flyovers/underpass	HAL 2nd Stage, Indiranagar, Bengaluru, Karnataka, India	A FootBridge is required to cross from the Diamond District side to the Carlton towers side on the old airport road near Domlur flyover.	Bangalore Development Authority	Pranoop Kumar
6258	Safety and Crime	Increase police beat patrolling	100 Feet Rd, HAL 2nd Stage, Indiranagar, Bengaluru, Karnataka 560008, India	The new wine shop (AVK wines) and eateries lacing on the double road (near/in front of Nandhini/Bhagini palace) are resulting in tipplers indiscriminately drinking in the public garden and thus resulting in public nuisance to the otherwise peaceful locality. Also, there is a place on 13G main/4th Cross junction, where perennially some youngsters sit there for hours parking their vehicle, smoking and talking loudly - creating nuisance. Many teenage girls and women are scared to go through this important junction for the fear of eve teasing.	Bangalore City Police	DontJustBeAnotherBrick
