MyCityMyBudget – Citizen engagement through workshops

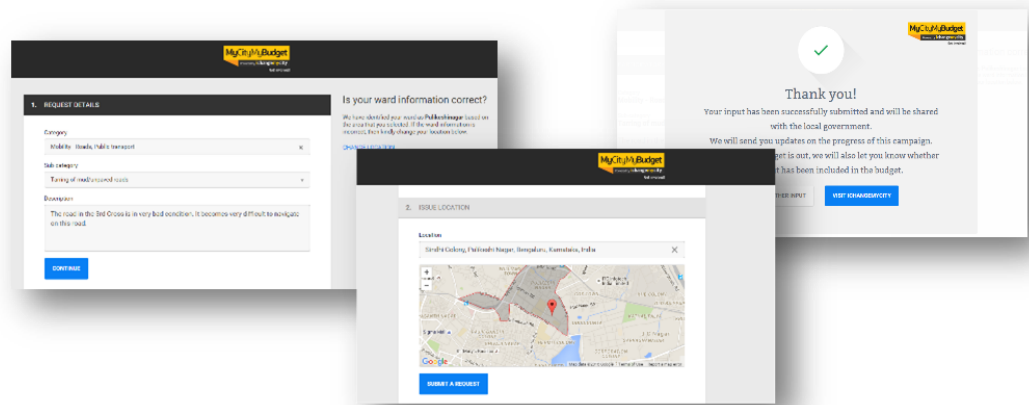

Workshops (Citizen interaction sessions) were conducted at various citizen associations across Bengaluru to gather inputs from the citizens about the civic issues affecting them in their locality that should be addressed in the municipal budget for the year 2016-17. The workshops were moderated by IChangeMyCity (Janaagraha) and held at the offices of the respective citizens associations.

780	Mobility - Roads, Public transport	Tarring of mud/unpaved roads	Ulsoor Lake Pathway, Ulsoor, Bengaluru, Karnataka 560008, India	Annaswamy Mudaliar Road (700 m length portion in front of Ajanta Theater in ward 90) was dug up by BWSSB for deep sewage work in Feb 2014 and the work was completed in May 2015. The road however has not been restored and remains in a dug up unpaved state for past 6 months. BWSSB and BBMP have been treating the issue as a game of football - shifting responsibility for restoring the road on to each other. The Corporator too seems to have failed or given up on the area. Thousand of commuters and numerous residents are being put to great hardship due to this apathy by the agencies.	Bruhat Bengaluru Mahanagara Palike	Ajay.sapra
