They tar it and next week some dept comes and digs more holes and nobody bothers to repair the dug out roads. The people staying here arrange and fill these potholes with mud and stones as no authority repairs it for more than a week. Many vehicles used to get stuck or get damaged as they go down these potholes. The entire 2 nd main sheshadripuram needs planned tarring . Hopefully concerned authorities will take this up seriously | Bruhat Bengaluru Mahanagara Palike | Ram            |
