1323	Mobility - Roads, Public transport	Tarring of pothole-ridden roads	1460, 6th Cross Road, 4th Block, Dayananda Nagar, Rajajinagar, Bengaluru, Karnataka 560021, India	<p>Just right in front of my house there is a big pothole. The road was dug for some purpose but was never fixed again. Due to the rain those potholes are being overfilled by Rainwater causing unnecessary incidents to occur. it is affecting the health conditions of the residents too.Actually It can not be considered as a road only,as it is a path full of mud and garbage.</p> <p>The complete dayananda nagar and Ramachandrapuram needs a good road and proper maintenance of the garbage. There are many building being constructed in front and near by dayananda nagar park which are throwing its material waste on roads leading to pathetic condition.</p> <p>Adding to it there are many bars around making it really dangerous for girls to walk around the areas. We needs few police there for patrolling so that the safety of girls is taken care off.</p>	Bruhat Bengaluru Mahanagara Palike	Maya Jain
