MyCityMyBudget – Citizen engagement through workshops

Workshops (Citizen interaction sessions) were conducted at various citizen associations across Bengaluru to gather inputs from the citizens about the civic issues affecting them in their locality that should be addressed in the municipal budget for the year 2016-17. The workshops were moderated by IChangeMyCity (Janaagraha) and held at the offices of the respective citizens associations.

Discussion
The citizens at the workshop discuss about the civic issues that affects them in their locality

Submission of inputs
The citizens then shortlist and list down list of issues that should be included in the budget in the input form

Voting
In a voting session, all members of the association give their vote on the shortlisted issues that should be considered
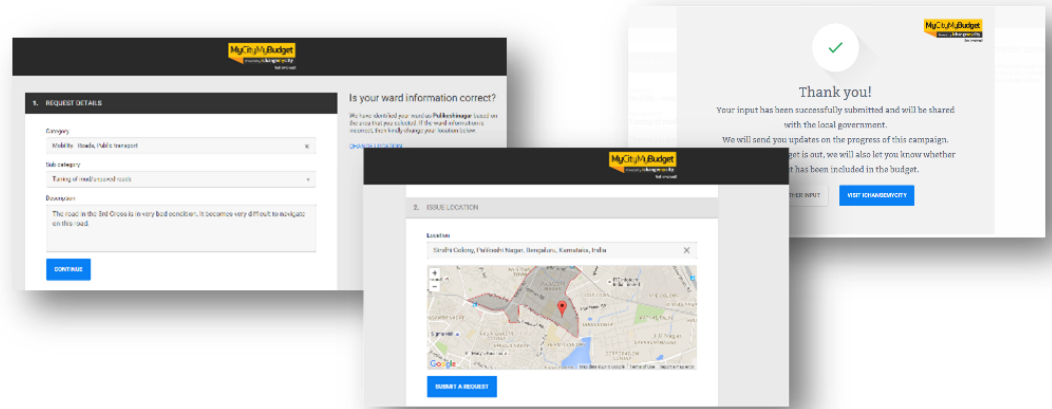

Prioritization
Based on the number of votes received, a final list is drawn which will contain the civic issues that needs to be addressed on priority

MyCityMyBudget – Citizen input collection on IChangeMyCity.com

The inputs from citizens were also collected online - on IChangeMyCity website (www.ichangemycity.com). The citizens were provided with an online form that enabled them to fill out inputs pertaining to their ward. They could also view the inputs shared by their neighbours in their ward and show support by VOTING UP on their inputs. Discussions about the civic issues to be considered also took place online on various social media sites.

Issue Id	Input Category	Input Sub Category	Location	Description	Agency	Citizen's name
3746	Environment	Maintenance of existing public parks/playgrounds	RPC Layout, Vijayanagar, Bengaluru, Karnataka, India	Park existing on the west of service road,(south of ATTIGUPPE METRO STATION and opposite 'DECCAN ENCLAVE' Apartment) was in good condition earlier and is now in a dilapidated condition because of the METRO WORKS carried out so far.This park needs to be renovated in a befitting way for the benefit of the Public apart from beautifying the area around.	Bruhat Bengaluru Mahanagara Palike	NIRANJAN T

4209	Mobility - Roads, Public transport	Construction of flyovers/ underpass	Chord Rd, Kilkodungalur, RPC Layout, Vijayanagar, Bengaluru, Karnataka 560104, India	Vijayanagar is pathetically connected to Mysore Road. There are two signals at which we needs URGENT flyovers/underpass. A distance of hardly 2-3 Kms take almost about 30 to 45 minutes pathetic minutes and making Mysore Road as deadly fume factory.
				1. Pipeline Road and Mysore Road Junction
				2. BHEL Junction
				    If this is done all vehicles going towards RR Nagar, Kengeri will have peaceful drive.
				    Also why does TamilNadu buses have to come till Mysore Road Satellite Busstand? Hardly 1 or 2 passengers will be there and these buses cause havoc on infrastructure. Please stop TN buses either at Electronics City or maximum at Shanthinagar itself. Only TN buses going towards Mysore should stop at Mysore Road Satellite Busstand.
