4226	Solid waste management	Build dry waste collection centres	Sudhama Nagar, Bengaluru, Karnataka, India	Since sudhamanagar is commercial area with alots of garments and transportation companies there are too many garbage repository everyday. It would be great if a dry garbage collection point is kept and also ask the other industries to reposit daily in collection point.. Entry points to area is dumped with garbage covering half of the road. 1st cross entrance in lalbagh road (opposite hulk building) .. Anipura road on east entrance on double road.. And other cross roads also same situation.. Im trying to create awareness of swach bharat and ciculated print outs but no use. No respect for individuals.. Please an initiative, i will stand by and co ordinate if necessary...	Bruhat Bengaluru Mahanagara Palike	Yogs
