## MyCityMyBudget – Citizen engagement through workshops

Workshops (Citizen interaction sessions) were conducted at various citizen associations across Bengaluru to gather inputs from the citizens about the civic issues affecting them in their locality that should be addressed in the municipal budget for the year 2016-17. The workshops were moderated by IChangeMyCity (Janaagraha) and held at the offices of the respective citizens associations.

### Discussion

The citizens at the workshop discuss about the civic issues that affects them in their locality

### Submission of inputs

The citizens then shortlist and list down list of issues that should be included in the budget in the input form

### Voting

In a voting session, all members of the association give their vote on the shortlisted issues that should be considered

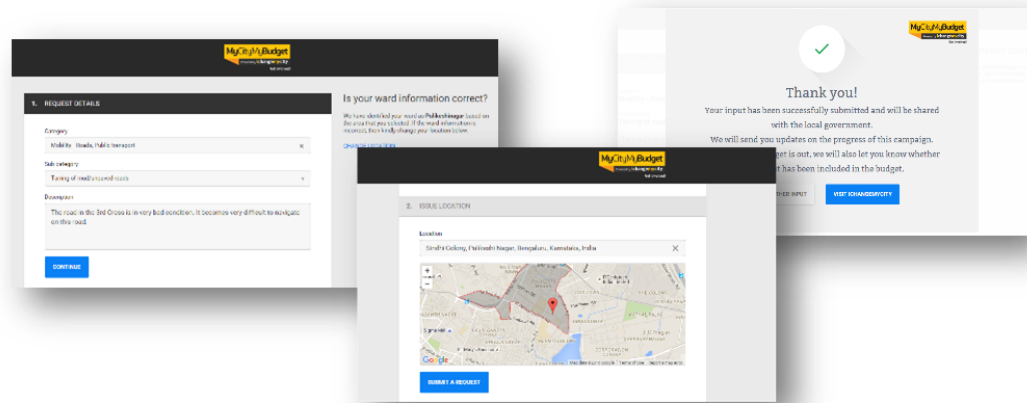

### Prioritization

Based on the number of votes received, a final list is drawn which will contain the civic issues that needs to be addressed on priority

## MyCityMyBudget – Citizen input collection on IChangeMyCity.com

The inputs from citizens were also collected online - on IChangeMyCity website ([www.ichangemycity.com](http://www.ichangemycity.com)). The citizens were provided with an online form that enabled them to fill out inputs pertaining to their ward. They could also view the inputs shared by their neighbours in their ward and show support by VOTING UP on their inputs. Discussions about the civic issues to be considered also took place online on various social media sites.

3913	Mobility - Roads, Public transport	Tarring of mud/unpaved roads	Padmanabha Nagar, Bangalore, Karnataka, India	<p>11th cross road that starts from Eye Hospital and goes all the way to place where there is Sewerage, is one of the busiest roads. Yet the road and footpath are in very bad shape. There are empty sites that have become Garbage repositories diagonally opposite to Ravi gas agency. Many complaints have been made to BBMP over the last 1.5 years and yet the issue remains</p> <p>1. 11th Cross is fully torn apart. They laid new water pipes about 1.5 months ago. Yet they have not fixed this road.</p> <p>2. 11th Cross road needs to be evened 1st (esp section after uttarahalli road) and then tarred. Right now people walking on this street, are washed with dirt.</p> <p>3. Remove some half dozen humps on 11th cross road (which is about 700 meters long). You can just have 2 road humps spaced 350 meters apart in important points ..like there is a hump next to School and Hospital which needs to be retained.</p>	Bruhat Bengaluru Mahanagara Palike	sudhi

3913	Mobility - Roads, Public transport	Tarring of mud/unpaved roads	Padmanabha Nagar, Bangalore, Karnataka, India	<p>FOOTPATH</p> <p>4. The footpaths need to be levelled, cleaned of debris and encroachments from Shops (advertizements, bonda shops, etc). Many senior citizens walk on this street.</p> <p>GARBAGE</p> <p>5. Garbage needs to be cleaned in an empty site right next to the road opposite Ravi gas agency. The garbage is thrown very close to the road near this empty site. Once cleaned it is important to put a big Garbage bin so the issue is fixed permanently. Currently this place serves as a restaurant for cows, dogs and piegons.</p> <p>Big Hoarding of politician faces - makes the public space look ugly.</p> <p>1. On the intersection of 11th cross and uttarahalli, a huge hoarding of politicians has come up recently. This needs to be removed.</p> <p>TRAFFIC INTERSECTION SIGNAL needed on 11th cross road and Uttarahalli road intersection.</p> <p>1) This particular intersection has heavy traffic. Yet does not have a traffic signal. It is chaos and uncivilized traffic always at this intersection.</p>	Bruhat Bengaluru Mahanagara Palike	sudhi

4985	Solid waste management	Maintain cleanliness of streets (sweeping, removal of debris)	18th Main Rd, Padmanabhanagar, Bengaluru, Karnataka 560070, India	Garbage is thrown all over the street. People close there nose while crossing the garbage area. Garbage is burnt many times and its beside 2 school wherein children gets affected. Large amount of garbage vehicles pile up and results in traffic jam which makes already a narrow road to be overcrowded.	Bruhat Bengaluru Mahanagara Palike	Sunil

Issue Id	Input Category	Input Sub Category	Location	Description	Agency	Citizen's name
4051	Mobility - Roads, Public transport	Tarring of mud/unpaved roads	Tarring of pothole-ridden roads	<p>The last time the road was tarred is 5 years ago. Now humps have been put up on every few metres in Hosakerehalli main road and near Hrishikesh vidyapeeta school. They are very high.</p> <p>The buses frequency during night times is very less including both 43b and 43c.</p> <p>REMOVE HUMPS AND MAKE ROADS WIDER.</p>	Bruhat Bengaluru Mahanagara Palike	Shankar G
4059	Solid waste management	Tarring of pothole-ridden roads	Maintain cleanliness of streets (sweeping, removal of debris)	<p>The waste from homes are thrown around in front of Raghavendra swamy temple and left days together. IT IS NOT A DUMP SITE. DONT DUMP GARBAGE ON ROADS EVEN FOR 1 HOUR. Also the roads are not cleaned and the sand on the road causes accidents. And please clean the lake. The smell is unbearable.</p>	Bruhat Bengaluru Mahanagara Palike	Shankar G
4067	Sanitation	Provision for parking	Desilting of Storm water Drains	<p>The hosakerehalli lake stinks and near KEREKODI the smell is unbearable. Stop drainage water flow into lakes. The health of people are seriously getting affected.</p>	Bangalore Water Supply and Sewerage Board	Shankar G
4069	Mobility - Roads, Public transport	Tarring of mud/unpaved roads	Increase frequency of buses during non peak hours and late night.	<p>The number of buses during night is very less. The frequency of bus 43b and 43c should be increased. The only bus of 43b at 9:30pm is always full and then people are deprived of buses till next morning. Also the bus shelter is occupied by street vendors making it difficult for passenger to move freely.</p>	Bangalore Metropolitan Transport Corporation	Shankar G
