Footpaths need to be fixed to avoid usage for vendors and parking. This road could also be made ONE WAY to avoid traffic jams. Kumarswamy Police station area is such a mess & that junction need a circle for smooth movement of traffic. We could very easily make space for Bus Stop to avoid buses stopping on the road. I wish i had ways to get this stretch fixed, looks VERY simple, if an officer makes up his/her mind to serve the citizens	Bruhat Bengaluru Mahanagara Palike	Raghurama Kote
