195	Mobility - Roads, Public transport	Tarring of pothole-ridden roads	32, Kodichikkanahalli Main Rd, Lake City, Bommanahalli, Bengaluru, Karnataka 560076, India	The road connecting Kodichikkanahalli bus stop to Bilekahalli( till Vaikunta narayana swami temple bilekahalli) is in horrible state, kindly widen the road and fix all path holes. 229	Electricity & Power	Ensure efficient and uninterrupted power supply	10, Gangaparameshwari Nagar, Kodichikknahalli, DUO Layout, Bommanahalli, Bengaluru, Karnataka 560076, India	I have been staying in Duo Enclave Layout, which is next to Vijaya Bank Layout. From last one and half year, i am surprised to find that there is hardly a single day when there is no power cut in the morning. Every day morning, there is a power cut at about 7AM and restores back at 10AM. This is the time we get ready for office and due to power cut, we cant heat water for bath, cant iron clothes, cant prepare breakfast, no power hence no water... when will this resolve... till today i find that there is unauthorised power cut every morning for 2 hours or so. Isnt it high time for BESCOM authorities to understand that to pay their electricity bills, we have to go to office, earn money.	Bangalore Electricity Supply Company	Amitabha Chatterjee

249	Solid waste management	Require regular Door to door garbage collection	1st Main Rd, Duo Enclave, Kodichikknahalli, Bilekahalli, Bengaluru, Karnataka 560076, India	<p>hi,</p> <p>In my area, Duo Enclave Layout, Kodichikanahalli main road, i find that there is hardly a garbage collection work done. Residents throw the garbage on the road, beside the main gate of the duo enclave layout. The layout is filled with garbage, pet poops, human poop etc. The layout is maintained so poorly that there are small trees and shrubs growing in numbers and since no one takes ownership in cleaning the layout, there is spread of mosquitos, leech, snakes, and other poisonous insects. A little rain and i see the leech and mosquitos start coming inside the house. Why someone from the local municipality ensure that the layout is cleaned regularly, unwanted trees and saplings are cleared to ensure less mosquitos develop. Due to this menace, we cant even keep doors and windows open. Request someone to look into this and clean the layout, do a pest control and ensure proper removal of garbage to avoid spread of diseases.</p>	Bruhat Bengaluru Mahanagara Palike	Amitabha Chatterjee
261	Mobility - Roads, Public transport	Tarring of pothole-ridden roads	3rd Main, Anugraha Layout, DUO Layout, Bilekahalli, Bengaluru, Karnataka 560076, India	<p>Until someone rides over the roads in our area such as Kodichikanahalli main road, roads adjacent to vijaya enclave apartment, it is difficult to gauge how poorly the roads are maintained. If there is potholes, they are filled with muds. If it rains, these potholes become a deadly spot for car tyres to get stuck and bikes skidding over the potholes. Please see the road that starts right from bomanahalli and enters kodichikanahalli till end of anugraha layout near BTM. Its a pain to travel through the road everyday. Also the road connecting kodichikanahalli and madivala lake (near SNN raj lakeview) is just pathetic. Everyday thousands of cars ply that single thin stretch of road. Big potholes filled with water, open drains, construction right on the roads has led to worsening the condition of travellers. there are traffic jams in that short route that lasts for upto half an hour. Hope this request reaches right authorities and they help making the roads safer, easier and much more humane to travel.</p>	Bruhat Bengaluru Mahanagara Palike	Amitabha Chatterjee

269	Mobility - Roads, Public transport	Tarring of mud/unpaved roads	Ranka Colony Rd, Munivenkatppa Layout, Bilekahalli, Bengaluru, Karnataka 560076, India	There is a need for a tarred road in my locality. It is the Ranka Colony Storm drain that connects to BTM II stage. Also there is a lot of dust pollution on the Ranka Colony road. Either the road needs to be Tarred or something done with the dust situation. It is virtually impossible to get out in the evening.	Bruhat Bengaluru Mahanagara Palike	Lawandesalil
499	Solid waste management	Require regular Door to door garbage collection	3rd Main Rd, Dollar Layout, Stage 2, BTM 2nd Stage, Bengaluru, Karnataka 560076, India	The entire colony of Dollar Layout neither has any garbage collection centre nor any door to door garbage collection is being done. There is a huge spreaded pile of garbage at the back of my house from the last 2 months which has not been collected or it is dumped by people of the colony or by the very few garbage collectors as it seems. 563	Mobility - Roads, Public transport	Tarring of mud/unpaved roads	Ranka Colony Rd, EWS Colony, Munivenkatppa Layout, Bilekahalli, Bengaluru, Karnataka 560076, India	A lot of new apartments have sprung up on Ranka Colony Road. However, the state of the in-roads connecting this road to BTM layout (2nd stage) is deplorable. The rainy season made the area extremely slushy and the sewage from the Madivala lake area made it on to the roads. The death of a minor is also known to have taken place here as she was washed away from the mud road into the sewage. Here is the report: <a href="http://www.newindianexpress.com/cities/bengaluru/BBMP-Officials-Booked-For-9-yr-olds-Death/2014/10/09/article2468765.ece">http://www.newindianexpress.com/cities/bengaluru/BBMP-Officials-Booked-For-9-yr-olds-Death/2014/10/09/article2468765.ece</a>	Bruhat Bengaluru Mahanagara Palike	Shradha Mohanty

I feel similar to what they did in Mumbai by building Worli- Banra sea link, a similar kind of fly over/link road should be build connecting BG road and Hosur Road , having a long flyover over madivala lake. Once this is constructed and traffic is diverted, if a underpass in constructed at silk board, it will completely ease out the traffic.	Bangalore Development Authority	Velu
