2158	Mobility - Roads, Public transport	Tarring of pothole-ridden roads	Mantri Tranquil Road, Gubbalala, Subramanyapura, Bengaluru, Karnataka 560062, India	I have been a resident of Mantri Tranquil for the past 4 years and it was only now that we have proper walkway for pedestrians on the road from our apartment to Kanakpura road. But that road is a nightmare. It is so bad that there are many potholes. Also people using private vehicles drive very fast especially late in the evenings. I see many trucks carrying sand near Sreeniketan apartments. This has been the case for the past year and a half and they do nothing out there. There is so much dust pollution due to this sand and terrible roads that people can have asthma and dust allergies as a result. Request you to make an effort to build proper roads, rectify the sewer leaks, and drive the sand trucks if they are there doing nothing on a daily basis.	Bruhat Bengaluru Mahanagara Palike	Brinjit

7307	Mobility - Roads, Public transport	Construction of new footpaths	Dorai Kere, Bengaluru, Karnataka, Bengaluru, Karnataka, India	Due to excellent maintenance and management of Dorai Kere by the concerned authorities, the lake has gained huge popularity in and around BHCS layout and other surrounding localities. Citizens young and old alike have started making use of the walk-way around the lake for walks, jogs, games, and evening relaxation. Addition of children's play equipment calls for huge appreciation. However, the walk-way is un-even and often causes injuries for runners and walkers. Please plan to lay tiles on the walk-way in Dorai Kere.	Bruhat Bengaluru Mahanagara Palike	Suresh g
