

From

Residents,

SAHAKARANAGAR,

Bangalore-560092

To

The Commissioner, BBMP, Bangalore

Dear Sir,

Sub: Objection regarding the Cell Phone Tower being set up in our residential locality

We request your kind attention to our representation of 05.08.2013 duly acknowledged

1. We would like to bring to your kind notice that a cell phone tower is being set up at # 1186, 19th Main, 20th Cross, Sahakararamagar, Bangalore 560 092 contrary to the guidelines and despite our strong objection to the same
2. It is quite apparent that the following guidelines in erecting the mobile tower have not been complied with in the said case
 - a. Erection of mobile towers are not to be permitted near schools, hospitals, temples etc
 - b. Such towers should not be permitted within a radius of 1 km from any other tower
 - c. Such towers should not be erected without the written consent of resident neighbours
 - d. Requisite certificate from a qualified structural engineer should be obtained
3. We would like to highlight the following facts also for your kind perusal
 - a. Vivekanda School, Utsav Montessori and other kid schools are in close proximity to the said location where the cell tower is being installed
 - b. Erection of cell towers in residential localities has been given the last priority taking into account various facts including the health hazards posed by them
 - c. Individuals, communities, forums etc have raised objections and filed suits and writ petitions in various courts including High courts of our nation highlighting the adverse impact of such towers on Human Health as well as Flora & Fauna
