

Citizens' Budget 2017-18: A Partnership for a Better Bengaluru

We have compiled here 71,877 citizen inputs (67,114 inputs from during the MyCityMyBudget Campaign from 3rd Oct to 30th Nov and 4,763 inputs from unresolved citizen inputs on www.ichangemycity.com) for the BBMP Budget 2017-18.

1. All citizen inputs have been listed in the **Citizens' Budget Inputs 2017-18.xlsx** file available in the MyCityMyBudget data drive.
 - a. The citizen inputs have been assimilated from the following sources:
 - i. 118 Resident Welfare Associations' whose details have been provided in the file.
 - ii. Individual citizen's inputs collected from campaigns in 202 schools, 8 colleges, 6 corporate and IT parks and other online and social channels.
 - iii. Street lighting data from Janaagraha's Street Quality Score 2015.
 - iv. Pedestrian crossing data from Janaagraha's Street Quality Score 2015.
 - v. Footpath data from Janaagraha's 2015 Street Quality Score 2015.
 - b. The citizen inputs have been organized ward-wise and sector-wise to allow easy filtering.
 - c. Each citizen input has also been mapped to the relevant Bengaluru civic agency and respective department responsible.
 - d. Where information has been available, from Janaagraha's Street Quality Score 2015, to support specific citizen inputs, it has been made available alongside those inputs.
2. All supporting data (on Footpaths, Pedestrian Crossings, and Streetlighting) from Janaagraha's Street Quality Score 2015, has been listed in the folder 'Reference Files' available in the MyCityMyBudget data drive.

More information on Janaagraha's 2015 Street Quality Survey can be found [here](#).
