

MEDICAL STORES

that do HOME DELIVERY

Yi BENGALURU INITIATIVE

Yi (Young Indians) is an integral part of Confederation of Indian Industry (CII).

In our continuous support to fight against COVID 19, we have collated a database of medical stores who are providing Home Delivery Services across Bengaluru, which can especially be used by senior citizens. All the data is validated as on 1st April 2020.

*The availability of home delivery services depends on the situation prevailing in that area and the store too.
